

BIG GREEN EGG COVERS

Keep your Big Green Egg as good as new by using an ventilated and weatherproof EGG Cover. The top quality protective layer resists fading and can withstand any type of weather, designed to work perfectly for years to come! Thanks to the Velcro fastening it is versatile in use, fitting multiple EGG models and you can easily put it on and take it off.

SOME FACTS:

- Stylish black design with recognisable Big Green Egg logo
- Easy off and on with a convenient handle
- Hook-and-loop closure for added protection
- Ventilated to prevent moisture buildup

Care Hand wash; do not bleach.
Line dry only.

With or without EGG carrier.
